CAPITAL™ ENHANCED COLLAR

- Patented design features a micro-adjustable dial, powered by Boa® Technology, that allows height adjustment to fit most patients
- Includes compliance ring to deter patients from tampering with adjustment dial helping to ensure patient compliance
- Reinforced sternal padding for support and comfort
- Designed to help restrict flexion, extension, lateral bending and axial rotation
- Shoulder, mandible and occipital contours provide increased stability
- Open-cell liner is designed to help prevent skin breakdown and provide comfort during long-term use
- Not made with natural rubber latex
