

## TRUESAFE COMFORT®

Our TrueSafe Comfort® Line in the PremierPro™ by Medsource Family of Catheters provides you the latest technology without having to sacrifice your preferred style. Select from a range of gauges and lengths that offer you the best in Safety and Blood Control. Our push button activated safety features also help reduce the risk of accidental needlestick injuries. Each catheter is equipped with our patented PUR technology and tri-bevel cut tip allowing for less pain at the insertion site. Notched Needles allow for rapid and easy blood visualization providing vessel entry confirmation improving your success for accurate placement on the first try.

### TrueSafe Comfort® Safety IV Catheters

- Push Button Safety Activation Peripheral IV Catheter
- Made from our proprietary VenaPUR™ (Polyurethane) catheter material
- RapidFlash™ instant flashback notched needle (available on 20G-26G sizes)
- Tri-Bevel Cut Needle
- Siliconized ground stainless steel needle
- Not made with natural rubber latex
- Not made with DEHP
